JOE REHANA ~ DAILY EGYPTIAN

Barack Obama shares the stage with Vice President-elect Joe Biden during his victory rally at Grant Park in Chicago Nov. 4. "To those Americans whose support I have yet to earn, I may not have won your vote tonight, but I hear your voices. I need your help. And I will be your president too," Obama said in his acceptance speech. The Associated Press estimated the crowd to be a quarter-million people.

John Montacue, a political science instructor at John A. Logan College, has been reading comics since he was 5. Montacue said Aug. 17 that he was pleased with the three blockbuster movies that came out this summer, "Hellboy 2", "The Incredible Hulk" and "The Dark Knight", but he would like to see a Marvel Comic movie set more accurately in the 1960s.

Today's Birthday — Partnerships are important this year, but they'll also increase confusion. Don't let other people speak for you without your clear instructions. You'll be the voice of reason in the midst of chaos.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) – Today is an 8 – As you learn more, you'll realize you've been doing some things the hard way. Don't worry, this always happens when you're growing. However, proceed with caution.

Taurus (April 20-May 20) – Today is a 7 – There's more money coming in, but don't get talked into a wild shopping spree. Gather up more before you do that. As you well know, you make the best deals when you pay in cash.

Gemini (May 21-June 21) – Today is a 7 – You have lots of strong opinions, and that's good. You'll soon get a chance to debate with somebody who feels otherwise. Don't worry, you're good at this. Have facts.

Cancer (June 22-July 22) – Today is a 6 – Now you're the one who's starting to feel a little bit squeezed for time. Delegate a few of those jobs to others. Have somebody else do the cooking.

Leo (July 23-Aug. 22) – Today is an 8 – It's one party after another, a flurry of activity. It's fun, and you're very popular, but it can get expensive. Contribute, but don't pay for everything. Let others pitch in.

Virgo (Aug. 23-Sept. 22) – Today is a 7 – Your workload is getting done smoothly and efficiently. This is usual for you, but it is not going unnoticed. If you get asked to take on more tasks, protect yourself. Get something in return.

Libra (Sept. 23-Oct. 22) – Today is an 8 – You're ready to race off and do great things, but there's a slight problem. You'll have to play by the rules, so you'd better know what they are. Ignorance is never an excuse.

Scorpio (Oct. 23-Nov. 21) – Today is a 6 – You'll be tempted to spend too much. You'll push your credit cards to the limit if you don't stop yourself. There are times you can do this successfully. This is not one of those.

Sagittarius (Nov. 22-Dec. 21) – Today is a 7 – Advise your partner not to start a fight with an older person. There's more to lose than to gain right now from any confrontation with authority figures.

Capricorn (Dec. 22-Jan. 19) – Today is a 7 – Delays and various other hassles threaten your happy mood. Reschedule anything you can, so you can focus on what's important. Count a win if you get that done.

Aquarius (Jan. 20-Feb. 18) – Today is an 8 – Your friends are interested in what you're doing, but you don't have to tell them. Keep your ideas to yourself for a while. You may want to change a few of them.

Pisces (Feb. 19-March 20) – Today is a 6 – Conditions are changing rapidly now. Only jump into the fray if you like to play high-speed games. Otherwise, sit this one
